JULY 2018

I pray that this letter finds you blessed, prospering, and enjoying God's many expressions of love toward you. May His perfect will be done in your life each day.

I believe that I have discovered the road map to your destiny; it is the Word of God. God knows what you were born to do because He declared the end from the beginning (Isaiah 46:10). He also knows the things you will go through before reaching your destination in life. Allow me to share the divine progression that will enable you to arrive at that predetermined place.

"In the beginning was the Word..." (John 1:1). Everything God created was established on the foundation of His Word. Likewise, every endeavor you pursue must begin with the Word. The Word is the seed that governs increase in the kingdom of God.

When you meditate on the Word of God, it governs your thinking: "...For as he thinketh in his heart, so is he..." (Proverbs 23:7). Everything in life is determined by how you think! Thinking based on the Word positions you for a life of abundance and overflow.

It is important to base your thinking on the Word because thoughts determine emotions. Emotions are

feelings on the inside caused by pain or pleasure that move you in a certain direction. The way you think determines the way you feel, and the way you feel determines the decisions you make.

Life is a series of decisions. A decision is an open door into reality. When people make the decision to become born again, no devil in hell is capable of stopping them. Likewise, whenever you make a quality decision that lines up with the Word of God, heaven gets involved to back you and support that decision.

Decisions determine actions. Everything you do is based on a decision; either you choose to do a thing, or you choose not to do it. Your decisions determine your actions, and repeated actions develop into habits.

When you repeat an action over a period of time, it becomes part of your lifestyle. You develop in the actions you repeatedly perform. For example, if you frequently lie, then you have the potential to become a developed liar. Habits don't just appear; they develop over time, and they eventually produce character—either good or bad.

Godly character is doing what's right because it's right and because

it benefits others. Character is who you are all the time, but charm is an occasional occurrence; it is the ability to appear noble and virtuous for your own benefit. The type of character you display determines your success in life. You can never rise higher than your character.

Now, let's put this process for success into one phrase: The Word of God produces godly thinking, which produces godly emotions, which produce godly decisions, which produce godly actions, which produce godly habits, which produce godly character, which produces a godly destiny.

God designed a destiny for your life and if you remain grounded in His Word, it will change your thinking and lead you on the progressive path to that place. Follow God's plan by starting each endeavor with the Word and you will reach your destination; a place of wholeness and prosperity where your divinely-inspired dreams become realities.

This month, you will experience accelerated results as you follow the road map to destiny. As you sow your seed to support the Gospel, believe God for speedy results!

Taffi and I love you so much and thank you for all of your prayers and financial support. Remember

that Jesus is Lord, and "with all
thy getting, get understanding"
(Proverbs 4:7).

Love,
