SEP 2018

I pray this letter finds you in the overflow of God's blessings. Without a shadow of a doubt, it is God's will for you to live in the overflow of His blessings. Believe this truth and it will surely come to pass in your life.

I continually find myself in situations where I overhear Christians who fail to believe what God has promised in His Word. This is the devil's ultimate objective: to cause people to fear that God's promises won't come to pass in their lives. When you allow fear to enter in, you automatically enter into unbelief. The Bible says that the fearful and unbelieving will have their part in the lake that burns with fire and brimstone (Revelation 21:8). This is the second death.

God has been too good for us to allow the devil to lead us into unbelief through fear. Regardless of what the devil tries to throw at you, you have to purpose in your heart to believe God.

Without a solid belief in the Bible, it becomes difficult for any part of God's Word to come to pass in our lives. I believe the Bible from Genesis to Revelation. It is my final authority and the end to all arguments.

Today we live in a world where a large majority of people are working diligently to cause Christians to doubt God's Word. Unbelievers are constantly trying to present a reality that contradicts Scripture. It is imperative that you don't doubt what the Bible says, because it is the only way out of many of your situations. Be encouraged; if you purpose to believe God's Word, it will continue to work in your life.

The more time you spend reading and meditating in the Word of God, the more confidence you will develop in the Word. When you remain confident in God's Word, nothing can stop it from coming to pass in your

life. God is not a man that He should lie. If He said it, He will do it. If He spoke it, it will surely come to pass. When God says that you are healed, delivered, and prosperous, believe it! If you believe that you receive, you will receive that which you believe. If you really want to know if you believe God's Word, begin giving close attention to the things you say and think. The Bible says that out of the abundance of the heart, the mouth speaks (Luke 6:45). What is in your heart will eventually come out of your mouth.

Many Christians simply do not believe God's Word! It's time for believers to believe, and not doubt or fear, the promises of Almighty God. Get your believing juiced up and get ready to see that which you believe come to pass in your life. Say aloud every day, "I believe God and all of His Word." What you believe, you will speak; and what you speak, you will believe.

Remember this: The Word of God must be planted in two places to achieve the best results—your heart and your mouth. So get the Word of God in your heart and mouth today and change your world!

Taffi and I love you! Remember, Jesus is Lord, and "...in all thy getting, get understanding."

In Him,

Creflo Dollar
