

FEAR GIVES IN *faith presses on!*

2020
VISION
partners

AUGUST 2019

It is because of our deep love for you and our desire to see you experience the blessings of God in your life day by day, that I believe this month's partner letter can have a life-changing impact.

Over the years, I have prayed many prayers for the partners of this ministry "to experience more!" Prayers for more of God's wisdom, more of His blessing, more of His love, and more of His provision are just a few of the prophetic words God has given me for His body of believers. Today, Taffi and I are praying a different prayer for you.

In all my years of ministry, I believe a major reason most Christians never

experience the pinnacle of life that God has designed for them can be summed up in one word. It is the same word that keeps people from ever taking a risk, getting out of their comfort zone, or dreaming bigger than they've ever dreamed before. It started in the garden of Eden and it still hinders people today from receiving all that God has for them. That one word is FEAR!

Are you afraid of making mistakes, or does the fear of being wrong keep you from believing God? Do you constantly worry about your future or your family's future? Are you afraid of failing? Are you ever afraid you won't have enough money to pay your bills, or afraid the same sickness

that has attacked other people in your family will get a hold on you, too? Fear dominates people's thoughts. It controls their lives by the decisions they make, often keeping them from ever stepping out and doing the things God has called them to do. It is a tragedy. Today, I'm declaring with you and your loved ones, "No more!"

Fear has ruled long enough, and it's time for FAITH to rise up in you and conquer! Every good decision I have ever made for my family or this ministry, every prayer for a miracle that I saw come to reality, was made in faith, not in fear. First John 4:18 says, "...Perfect love casteth out fear..." and

perfect love is what Jesus is, was, and will always be.

The problem is that so many believers fail to recognize how fear is at work in us. There are many ways the devil tries to penetrate your life with fear. By far, the number one way most of us fall prey to the power of fear is by allowing the devil to remind us of our past. Reminding you of your past is one of the greatest tricks of the devil to keep you from living an overflowing life. Broken dreams, mistakes, promises not kept, bills piled up—he keeps an inventory of your past mistakes and is ready to remind you of them at any given time.

God is concerned about your future and Satan is all about your past. The enemy will do everything he can to get you to focus on where you've been instead of where you are going. Luke 9:62 reads, "...No man, having put his hand to the plough, and looking back, is fit for the kingdom of God." If you

find yourself constantly looking back, you will never experience the life God has for you; you will never experience His full anointing on your life. Remember this: your fear of the future is solely based on your experiences of the past. If you have tried and tried to accomplish something, but still continue to fail . . . don't you dare give up, cave-in, or quit if it is something God has put in your heart! You must forget the past. Fear gives in, faith presses on! You can win the battle against fear! Most importantly, recognize the tactic and fill your spirit with God's Word, beginning with Psalm 118:6, "The LORD is on my side; I will not fear: what can man do unto me?"

You win with His Word, because it is full of your future. What does your future look like? To me it's pretty simple. You listen to the devil, here comes fear. You listen to God's Word, here comes faith. You look back, here comes fear. You look forward, here comes faith. Fear is

about old things. Faith in God is about new things. If you live in the past, your present is affected!

I promise you, if you will take the time to identify all the various ways your past is impacting your life today, in a very short time your life will begin to change. You will begin to experience fruit in your life like you have never tasted before. That's what I want to help you do. I want to walk you through this process and help you see where the old thinking needs to become new thinking.

Faith and fear cannot operate at the same time. You are operating in one of them in every area of your life. Let's find out where and see you begin to walk in an anointing that you have only dreamed of.

This month, as you plant a seed into the work of this ministry, I simply ask that you give whatever God puts on your heart. Give with joy and with confidence, because you know this ministry is

making a mark in people's lives that cannot be erased. I hope you can sense how much we care about you and desire to see the anointing of God flowing in your life. Also, I hope you know how much this ministry appreciates you. I don't ever want you to support the work of Creflo Dollar Ministries out of pressure from me or anyone else. I want you to understand fully that your support—your seed—into this ministry is a seed sown into your own life and future. The ability to give is a gift from God. Giving is about obedience, blessing, and understanding how the kingdom of God works in us and through us.

By now, I hope you understand my prayer: "No more!" Remember this, you have to let the devil (and your flesh) constantly know where you are going because he will continually remind you of where you've been. Satan is about yesterday, God is about tomorrow. The devil will try to convince you that your past is who you really are. If you have

lived in defeat, he will say to you over and over again, "That's the real you, that's who you really are." God, however, through His Word, will show you the real you—the fearless you. When you understand who you really are in Christ, then you will begin to enjoy all that God has prepared for your life. This is our heart for you: no more fear, no more lack, no more sickness or disease, no more loneliness, no more strife; God's covenant with us promises it. I pray you will hear His Word, receive it, and allow it to change your world and the world around you.

In more than sixty places in Scripture, we are commanded to "Fear not." Don't let fear control your thoughts or your actions. Let God's Word set you free to live like never before. Here are some additional Scriptures I want you to read and get into your spirit: Micah 7:16, 17; Proverbs 29:25; Isaiah 54:14; Isaiah 43; Job 3:25, 26; and Second Peter 1:3, 4. So

today, step out in faith. Do something you've never done before because fear held you back. God has great things in store for you. Taffi and I love you and thank God that you stand with us as a 2020 Vision Partner.

In His Righteousness,

Creflo Dollar
