# Truth of God's Word

OCTOBER 2019

Taffi and I love you and we're expecting God to do great things in your life: great things in your family, great things in your health and finances, and in any other area you may need a breakthrough. Besides, that's the kind of God we serve. "God is a BIG God," like Taffi says sometimes. He wants nothing but the best for you; and don't let anybody tell you differently.

It's very important that you guard your ears against false beliefs about God and how He **supposedly** wants you to live. Don't automatically accept what someone tells you about the Lord without first checking it out for yourself in the Bible. If it isn't in the Book, then there's something wrong.

In these last days before the return of Jesus, symbolically

raise your spiritual antennas like you would raise the antenna on your radio or television in order to get a good reception. Tune in to the truth of God's Word by reading it daily, and be open to receive clear directions from the Lord concerning living as He intends.

The Word of God is your safeguard. You see, there are a lot of well-known people (preachers included) who are publicly saying all kinds of wrong, unscriptural stuff about God. They are confusing so many people that it's a shame. Some say that God uses sicknesses and poverty to keep His people humble and needing Him. **What?** That's not in the Bible. My attitude is this: it's **not** okay with God that you struggle through life to please Him. Think about it. What loving father in his right mind

wants his children to suffer?

God wants you to enjoy living a debt-free, sickness-free, stress-free life of abundance to the point where you can help other people live the same way. That's what makes Him happy. He has a great plan for your life. The Bible says, *"For I know the thoughts and plans that I have for you, says the Lord, thoughts and plans for welfare and peace and not for evil, to give you hope in your final outcome"* (Jeremiah 29:11, AMPC).

I can't stress it enough that the Lord doesn't want us to live in poverty, in sickness, in despair...so stressed out that we can't think straight. That's not like Him. When you know Him for yourself, no one can "pull the wool over your eyes."

The devil is notorious for trying to convince people that God's Word isn't true, and that God will hurt you if you mess up. Satan is a dirty liar (John 8:44). The devil always contradicts the Word. God says, "I want to satisfy you with long life," and Satan says, "Does God **really** want you to live long? Remember that so and so died of cancer at a young age, and **she** loved the Lord. You probably will die early, too."

Listen, if the devil is bombarding you with negative thoughts about your life, tell him to shut up because you believe the Word! Anchor your faith and trust in God and His Word so you won't be moved by what goes on around you. Remember what Jeremiah 29:11 says: God loves you and has great plans for your entire life. When a problem arises, say to yourself, "God is thinking about me even in the midst of this situation, and He has great plans for me." Like Taffi said in a recent teaching of hers, "Child of God, you have to be positive in this negative world!" Isn't that the truth?

This month, I have a special teaching that I believe will help you build your expectation of God doing awesome things in your life. **Use Your Authority** is a timely message series that you can receive with your love gift of £8/€9 this month in support of this ministry. See the enclosed information for more details.

Taffi and I don't take your connection with us lightly. You could have partnered with any other ministry in the world, but you chose Creflo Dollar Ministries. Wow! We thank God for you. Remember that Jesus is Lord, and **"...In all your getting, get understanding"** (Proverbs 4:7, NKJV).

In Expectation,

  
Creflo Dollar

### OUR VISION

As we proclaim Jesus, the Christ, as the Head of the Church and the manifested Word of God, our goal is to teach the Word of God with simplicity and understanding so that it may be applied to our everyday lives in a practical and effective manner; thereby being transformed into World Changers—changing our immediate world and all those with whom we come in contact—ultimately making a mark that cannot be erased.
