

# ENJOY LIFE *as God intended*

SEPTEMBER 2019

Taffi and I pray that all is well with you and that you are enjoying life as God intended. Life is meant to be enjoyed. But, as Christians, sometimes we become too busy to have fun; too busy to laugh; and too busy to relax and unwind. Every day we're busy, busy, busy!

If you're stressed out or frustrated about something, could it be that you're so busy pursuing your life's dream that you're not taking the time to enjoy the journey? Don't get me wrong, I am not saying that you should neglect your responsibilities and relax at home all day. On the contrary; what I **am** saying is that you should enjoy the God-kind of life in abundance, to the full, until it overflows, and not cave

in under the pressures of everyday life no matter how stressful.

There may be times when the pressures of life are so heavy that you don't feel like you can enjoy life. It may be hard to pray and read the Word, and you may not feel like going to church sometimes. You could be feeling physically, emotionally, and mentally drained. I know, because I've felt like that before. Believers should never govern our lives by our feelings, but rather by what God says in His Word. That's where our strength and faith to press forward come from—the Word.

This reminds me of the story Jesus once told concerning a farmer who was planting

seeds. The Bible says that, as the farmer was planting, some seeds fell on fertile soil while some did not, and those seeds didn't produce a harvest (Mark 4). What's interesting is that some of the seeds fell among thorns, and it prevented the seeds from growing. Verses 14, 18, and 19 tell us that the seeds represent God's Word and the thorns represent the cares of life which are designed to stop believers from making spiritual progress.

What happens is many Christians may hear good Bible teaching, but allow worry and anxiety to rob them of their joy. Some are so stressed out about money and getting ahead financially that they

become workaholics. They focus more on making lots of money rather than trusting God. Sadly, and unknowingly, they attempt to satisfy a spiritual need with material things, and that's called **materialism**.

Think about your life for a moment. What are you really pursuing? Are you lacking peace as a result? When your mind is cluttered with cares, you spend most of your time worrying about your future and your problems rather than looking for answers in the Word. As a result, it is difficult to make any progress. The Word of God will light the pathway to your success in life in times of darkness, *if* you allow it (Psalm 119:105, 130, 133).

Taffi and I love you and are passionate about helping you to experience the results of trusting God and living by His Word. He wants you to be successful and so do we. That's why, like farmers, we're diligently sowing

"life seeds" by teaching you God's Word. But, it's up to **you** to apply what you learn from the Word. We believe that when you gain an understanding of how to live as God intended, you will experience a bountiful harvest of His goodness in every area of your life!

As you sow your love gift this month, commit yourself to living worry-free. To help strengthen your faith in God's promises, we've put together this month's special partner-only promotion, the **Law vs. Grace** combo, which is a timely teaching series that I know will bless you.

### OUR VISION

As we proclaim Jesus, the Christ, as the Head of the Church and the manifested Word of God, our goal is to teach the Word of God with simplicity and understanding so that it may be applied to our everyday lives in a practical and effective manner; thereby being transformed into World Changers—changing our immediate world and all those with whom we come in contact—ultimately making a mark that cannot be erased.
