

See From God's PERSPECTIVE

AUGUST 2020

There are many great and mighty acts that God desires to perform in our lives. Promises have been made; yet, we have a part to play for each promise to become a reality. We must understand how to walk in the Spirit and be aware of the dangers of walking in the flesh. There is a path that leads to death and one that leads to life. We must choose the path that leads to life—and that is the path of walking in the Spirit.

John 6:63 says, *"It is the spirit that quickeneth; the flesh profiteth nothing: the words that I speak unto you, they are spirit, and they are life."*

Jesus explains that the Word of God is Spirit. So to walk in the Spirit is to walk in the Word. Following the directions of the Holy Spirit and walking in the Word, or in the Spirit, is what makes you spiritual.

Walking in the Spirit produces power, life, and peace. It's like a man with a vertical perspective. He looks out of a window and surveys all that is below from heaven's perspective, which then gives him the ability to think of God and to think *like* God. Walking in the Spirit means seeing things from God's perspective, or from His point

of view. It is a way of thinking that is in line with the Word of God, the faith of God, and the righteousness of God.

Walking in the flesh is also a way of thinking. It is like a man who has a horizontal perspective. He looks out of a window on earth, which only gives him the ability to see what is in front of him—in other words, to think of man and to think *like* man. The flesh is anything that limits your ability to see things God's way.

When a person walks in the flesh, he only believes what he sees. When a person walks in the Spirit, he sees what he believes from God's Word. When we begin seeing what we believe from His Word, then God is able to do exceedingly great and wonderful things in our lives. Walking in the flesh and only believing what you see has no profit. Jeremiah 17:5 says, *"Thus saith the Lord; Cursed be the man that trusteth in man, and maketh flesh his arm, and whose heart departeth from the Lord."* To only believe what you see prohibits you from profiting from God's Word.

Proverbs 23:7 says, *"For as he thinketh in his heart, so is he..."* You are spiritual or carnal (led by the flesh) based on how and after whom you pattern your thinking. If you think in line with God and His Word, then you are spiritual; if you think in line with the world, you are carnal.

Romans 8:7 says, *"Because the carnal [or fleshy] mind is enmity against God: for it is not subject to the law of God, neither indeed can be."* A carnal mindset is not subject to the Word of God; it will not submit to the Word, neither will it get Word results. Until a man aligns his mind with Scripture, he will have no profit in life. God is not able to perform effectively in the life of a person who refuses to submit his thinking to God's will and His Word. If you desire to see results in your life, then align your thinking with the spiritual path of God's Word. Walk in the Spirit and not in the flesh.

Taffi and I love you and pray for you daily. May God richly bless your life! Remember, Jesus is Lord, and *"...in all of your getting, get understanding."*

Love,

TESTIMONIALS

"Dear Creflo Dollar Ministries South Africa

I just want to share a testimony that the Lord has answered prayer. I remember I called in for prayer as usual asking you to stand with me for God to provide employment for my son who had completed his honours degree in December 2019. Am glad to share that he will be starting work on the 01 August 2020 at a very reputable company. Surely the Lord is able to do for us exceedingly abundantly above all that we can ask of imagine."

"Dear Creflo Dollar Ministries South Africa

I just wanted to give you an update on my dad. He had a cat scan and the results show that he had a mild stroke. They were concerned with the bleeding on the brain. However when the removed the machine, and took him off the sedation he opened his eyes. His fully cognitive, hands and feet moving. They say it's nothing short of a miracle. And we know that, we praise GOD and give him all the glory. They have or are in the process of moving him out of ICU trauma unit into the neurology ward for start of physio and occupational therapy as his not strong on his feet. And the movement of his limbs need to catch up to his mind. So I just want to say Thank You once again for all your prayers, especially to the gentleman who called me on the said day of the news when he was admitted. I truly appreciate that. I Thank GOD for you and the team."

Kind regards, your partner from SA
