

# MANIFEST GOD'S GLORY IN THE EARTH

2020

JANUARY 2020

Here we are at the start of a new year! Last year was a breakthrough year for this ministry and I'm very excited about what God has in store for us this year. The gospel is being preached all over the world. More souls are being saved and more lives are being changed!

My excitement is not just in the anticipation of what the Lord has planned for us but also in what He has in store for you. My prayer is that in 2020 and for the rest of your life, you experience glorious days of heaven on earth! May God's blessing overtake you and empower you to accomplish great things. Taffi and I look forward to hearing about how His glory begins to show up in your life as never before!

As you begin to trust God, make the necessary

adjustments, and remain fixed in your "faith stance," the promises of God's Word will become a reality in your life. There's no doubt about it. You have to *believe* it to *live* it. So, have faith in God's Word, because His Word will connect you to His glory.

When I refer to "God's glory," I'm not talking about heavenly smoke or some sort of spiritual vapor. Neither am I referring to a bright light that will shine from heaven and follow us wherever we go. The glory of God is the tangible manifestation of God's Word. The Bible says, *"And the glory of the Lord shall be revealed, and all flesh shall see it together: for the mouth of the Lord hath spoken it"* (Isaiah 40:5). In other words, God's glory is something that will be seen as a result of what He has spoken. The creation of the

world is an example of God speaking and His glory being revealed (Genesis 1:3-31). For instance, an apple tree is the glory (or tangible manifestation) of an apple seed. An orange tree is the manifestation of an orange seed.

Likewise, Mark 4:14-20 tells us that the Word of God is a seed that must be planted to be harvested in abundance. We're like farmers in the kingdom of God. When we speak God's Word, we're planting it into our hearts and releasing the seed necessary to manifest His glory in the earth. God wants us to speak His blessing into the earth so His glory can be manifested all over the world. That's how we get the glory to show up in our homes and in our relationships. It is also the process by which we can make a mark in the lives of

others that cannot be erased. When people begin to see that a believer's commitment to God is genuine and they see the tremendous results of living for Him and doing things His way, they will be compelled to do the same. First Timothy 4:15 says that others will see that there is profit in giving ourselves wholly to the things of God. When they see the glory overtake us, they will be inspired! That's what Taffi and I are after: allowing people to see the tangible goodness of God in our lives, and inspiring them to change the way they think so that they can change the way they live.

How committed are you to being living proof of God's goodness? Settle it in your heart right now that you will experience nothing less than God's best. There is something powerful about standing firm in what you believe and seeing the glory of God manifested in your life. Praise God!

We want you to know how much of an impact your giving has made on our efforts all around the world. We believe that it's important for you to know firsthand how you're making a difference. So, be on the lookout for more information on how your contributions are changing lives.

We sincerely appreciate our relationship with you and we value your support of Creflo Dollar Ministries. Keep praying for us. We love you and pray for you daily. Remember that Jesus is Lord, and "...In all your getting, get understanding" (Proverbs 4:7, NKJV).

In Expectation,

### OUR VISION

As we proclaim Jesus, the Christ, as the Head of the Church and the manifested Word of God, our goal is to teach the Word of God with simplicity and understanding so that it may be applied to our everyday lives in a practical and effective manner; thereby being transformed into World Changers—changing our immediate world and all those with whom we come in contact—ultimately making a mark that cannot be erased.
