FEBRUARY 2021

This is a great time to rejoice and forget about the negative things that may have happened last year. Do not dwell on the things that may have troubled and worried you in the past. Mark this month as the beginning of great things for you. Be in high expectation this year of God's goodness being seen in your life in greater proportion than ever before. Praise God!

I thank God for allowing Taffi and me to experience His goodness over the years. Despite the trials we faced last year, He proved true to His Word. He promised to never leave us nor forsake us. We are so grateful.

You know, there was a time in my life when I did not have a close relationship with God and did not know about God's goodness. I knew *about* Him, but didn't know Him intimately when I was living a hellish lifestyle. Consequently, I was lost. I was on the wrong path before I finally decided to live wholeheartedly for the Lord. I thank God for a change of heart, and the renewing of my mind. Through studying and applying the Word of God I found direction, and began pursuing my ultimate destination in God's plan for my life.

It makes me think of the many Christians and non-Christians alike who exist, yet lack direction. For example, think of a man who walks in place without actually moving forward. He lifts his feet up and down as if he is marching, but he goes nowhere. Would you say that he is making progress? Of course not.

How about a person who wants to travel to one city, but drives in a completely opposite direction? Will he reach his destination? No. He may make progress, however, he will progress in the wrong direction. As a result, he will end up at the wrong destination — a place where he never intended to be. Forward-moving progress in the

right direction is the key.

Well, it's the same thing with people who seem to be in pursuit of their purpose in life, but not making any real progress. They seem to have a lot going on in their lives, but unfortunately those pursuits are not helping them reach their divine destination. In fact, they are heading in the wrong direction where reaching their destination in the things of God is concerned.

Examine your life. Can you honestly say you are heading in the right direction regarding the will of God for your life? Not sure? Well, you don't have to be in the dark any longer. God wants you to be filled with the knowledge of His perfect will and be fruitful (or productive) in life (Colossians 1:9, 10, AMPC). Be encouraged. You have the power and support of heaven to change your life. You can change your present situation, and you don't have to settle for *life as is*.

Years ago, when I realized I was heading in the wrong direction, I took the necessary steps to affect change in my life. I stopped fighting God, and began the process of change. Some of us want things to change overnight; unfortunately, it doesn't work that way. True and lasting change requires following the process of change. Beginning this process requires you to examine where you are to know where you actually need to be. This is important because the greatest change you can make is with yourself.

There are several things which may cause us to head in the right or wrong direction, and reach a certain destination in life. From the words we grew up hearing, to our decisions and character, there is a pathway that led us to where we are today. I refer to this pathway as the *anatomy of life*.

Words affect your thoughts.
Thoughts affect your emotions.
Emotions affect your decisions.
Decisions affect your actions.
Actions affect your habits.
Habits affect your character.
Character affects your destination.

Who you are and where you are today is the result of this process. Think about it. Ungodly words, thoughts, emotions, decisions, actions, habits, and character will produce an **ungodly** lifestyle, and will yield **ungodly** results. On other hand, **godly** words, thoughts, emotions, decisions, actions, habits, and character, will lead you to a destination that is in line with the plan of God for your life.

For this reason, I encourage you to be mindful of who, and what you surround yourself with. You cannot afford to follow ungodly advice, no matter how good it may seem. As Christians, we live by the direction of the Word (Psalm 1). As I've shared, wrong words will ultimately affect your destination. You can't expect to change your life if you continue to receive counsel that is not based on the principles of God's Word.

Psalm 119:105 is a very familiar Scripture concerning the significance of the Word which reads, ***"Thy word is a lamp unto my feet, and a light unto my path."*** This Scripture tells me that the Word of God will illuminate the pathway to our destination in the things of God. Without the Word, we would live in darkness and wander aimlessly through life.

This does not have to be the case with you. You can know **for sure** that you are in the will of God for your life, and begin heading in the right direction. There are important steps we must take in order to create the life we want. Change requires commitment, courage, and a willingness to yield to God's will. You have the power to change!

Taffi and I cannot change the world without you. We are grateful to the Lord for you, and all that you do to make a mark in the lives of people all over the world. Know that while we are teaching the Word of God, you're right there with us, doing your part. THANK YOU! Remember that Jesus is Lord, and ***"...In all your getting, get understanding"*** (Proverbs 4:7, **NKJV**).

In expectation,

Creflo Dollar

SOUTH AFRICA MISSIONS

Creflo Dollar Global Missions has partnered with Botlokwa Primary School in Limpopo for ten years. Over the years, we have erected a fence to ensure the safety of all learners and teachers, built rest rooms, renovated the school's kitchen, supplied all the learners with winter uniforms, supplied basic food necessities and provided the learners with much needed school bags. The Botlokwa School has 400 learners from disadvantaged backgrounds. Our support to Botlokwa school is no different this year. We would like to provide the school with desktops for their library in an effort to give every learner the chance to reach their full potential as they increase their computer literacy. Creflo Dollar Global Missions invites you to become part of this mission by donating R350.00 towards the purchase of desktops for the school.

GOD'S LOVE LETTER TO US

At any given time, we could all need some help in making the right decisions in life. There are plenty of places to turn to for guidance and direction, but the best source is God. He wants to lead and guide us in the way we should go; the right results come from being led by the Holy Spirit. As free moral agents, the decision whether to accept His leadership is up to us; sadly, most people choose to be led by anything but Him.

A decision to listen for God's voice may require that we separate ourselves from the world's spiritual noise and clutter so that we can hear Him clearly. Choosing joy over negative emotions also puts us on the right frequency to hear from God. Tuning in to Him and screening out all distractions allows us to receive the guidance we need. We would like to thank you for consistently hearing the voice of God and supporting the various outreach efforts in Kenya.
