MARCH 2021

Taffi and I love to hear testimonies of how our partners are learning to trust God and are experiencing positive changes! I pray that your love for God and His Word grows daily, and that you experience great results in your walk of faith. When you love Him with all your heart, soul, mind, strength, and possessions, you can expect victory in every situation.

Recently, the Lord prompted me to share with you the essence of what it means to operate in the kingdom of God system. Christians often hear the phrase "kingdom of God", but may not fully understand what it means. Some people automatically think it refers to heaven, but it's much more than that.

The Bible instructs us to make seeking God's kingdom—His way of doing things—our *first* priority, so that we can receive everything we desire in life. Jesus said, *"But seek (aim at and strive after) first of all His kingdom and His righteousness (His way of doing and being right), and then all these things taken together will be given you besides"* (Matthew 6:33, AMPC).

Let's dissect the word *kingdom* to form the two words *king* and *dom* (as in *dominion*). If you know anything about kings and how they reign, you know they have dominion over certain territories and establish specific laws that govern

how people should live. Basically, a king has authority; he establishes specific ways of doing things that affect the people under his dominion. Likewise, God is our King. The kingdom of God is a system designed to govern the way believers live. God's kingdom has laws and principles that work for anyone who applies them. When people don't understand the spiritual laws that govern the kingdom of God, they are powerless. Consequently, they never experience the life of abundance God wants them to have. Don't let this happen to you. Instead, seek Him first and He'll make sure that your needs are met.

Each day, God gives us several opportunities to choose to do things His way. But making the right choices can be challenging sometimes because many of us have learned to handle relationships, finances, health, and other issues according to the world's standards. But God's wisdom always surpasses the world's methods. Human knowledge, no matter how promising it seems, is limited, but in the kingdom of God, there are no limitations. When you do things His way, nothing is impossible.

It pays to operate in God's system, but it takes great courage and confidence. Don't be afraid of what other people think. Others may laugh and think you're wasting your time, but while they're laughing, you'll be positioned for true prosperity in every area of your life. In the end, you'll have the last laugh.

Taffi and I are living witnesses that operating by God's system guarantees a life of abundance. We've experienced all kinds of obstacles, but we made a commitment to keep doing things God's way. We trust God and we are determined to prove that living by His standards really works. There are times when some people think we've lost our minds. That's okay because we have! Now we have the mind of Christ—we changed our thinking and as a result, we changed our lives!

As you sow this month, expect God to honor you as you demonstrate your commitment to His way of doing things. It's time to increase God's blessing on your life and achieve your goals. Taffi and I love you and we pray for you daily. Remember that Jesus is Lord, and "...*In all your getting, get understanding*" (Proverbs 4:7, NKJV).

In Expectation,

Creflo Dollar

OUR VISION

As we proclaim Jesus, the Christ, as the Head of the Church and the manifested Word of God, our goal is to teach the Word of God with simplicity and understanding so that it may be applied to our everyday lives in a practical and effective manner; thereby being transformed into World Changers—changing our immediate world and all those with whom we come in contact—ultimately making a mark that cannot be erased.
