

THIS IS THE YEAR OF OVERFLOWING *abundance*

APRIL 2018

I pray this letter finds you blessed and empowered to prosper in every way. May God's wisdom invade your life like never before, for this is truly the year of overflowing abundance.

The word overflow means "to spread over; to fill beyond the brim; to overwhelm; to swell or run over the brim or banks; to be abundant; overflowing plenty." Wow! Make it a point to meditate on this definition until abundant manifestation shows up in your life.

The Amplified Classic version of *John 10:10* says, "The thief comes only in order to steal and kill and destroy. I came that they may have and enjoy life, and have it in abundance (to the full, till it overflows)." Overflowing abundance is the will of God for us. It is up to us to believe and receive this truth by faith. Only then will overflow become a reality in our lives. The "more abundant life" is the reason why Jesus came to the earth!

Ephesians 3:20 AMPC, says, "Now to Him Who, by (in consequence

of) the [action of His] power that is at work within us, is able to [carry out His purpose and] do superabundantly, far over and above all that we [dare] ask or think [infinitely beyond our highest prayers, desires, thoughts, hopes, or dreams]." God desires to do "over and above" in our lives. Our part is to get into agreement with Him so that He can carry this promise out.

Although God wants to bring overflow into our lives, He can't find many people who will release their faith and their seed for overflow. Religion teaches that it is God's will to keep His children poor and to only give them just enough to meet their needs. Nothing is further from the truth. I want you to notice that when dealing with Israel's deliverance, God fully intended on bringing them out of the land of not enough and into the land that flowed with milk and honey. That sounds like overflow to me!

God is continually hinting at overflow being His will for our lives throughout Scripture. In *Psalms 23:5*, He says, "...thou anointest

my head with oil; my cup runneth over." *Malachi 3:10* gives us a glimpse of divine overflow when the Scripture says, "...there shall not be room enough to receive it." Clearly, overflow is scriptural and the will of God.

I want to encourage you not to allow fear to stop you from receiving the overflow that God has prepared for you. Fear is the constant dread of running out, while faith is the constant assurance of running over. Let's stand in faith that we are constantly running over, instead of being in fear of running out. As a result, we will overflow in the goodness and prosperity of God.
