IS THE FOUNDATION FOR SUCCESS

JUNE 2018

I pray that this letter finds you blessed and prospering in the love of God and in His power.

I believe that the God-kind of love is the foundation of every success in life. Without a doubt, His love is the foundation of prosperity and abundance. To obtain this success Jesus instructed us in Matthew 22:37-40 to "...love the Lord thy God with all thy heart, and with all thy soul, and with all thy mind. This is the first and great commandment. And the second is like unto it, Thou shalt love thy neighbor as thyself. On these two commandments hang all the law and the prophets."

From these verses, we see that everything in life hangs on these two commandments. I like to think of love as a curtain rod; it's the support for your life. Faith hangs on the commandment of love (Galatians 5:6), as well as healing, deliverance, prosperity, and answered prayer. If your love life is intact, then the rest of your life will be intact as well. Picture this: When curtains are made of thick, heavy material—which can be likened to your faith, prayers, and

healing—you need a strong rod to support them. If you replace the solid rod with a thin, less durable rod, it will bend or break under the weight, causing the curtains—what you are standing for—to fall. Every law of God depends on the curtain rod of love for support. If your prosperity hasn't manifested yet, check your love life.

The only type of love that supports every principle in the Bible is agapé love. It is a supernatural love because it comes directly from God. In other words, it is "divine" love. Agapé love is unconditional, unqualified, and without limits. Human love, on the other hand, is selfish, conditional, two-sided, and filled with limits. The divine agapé love of God does not have to receive love to give love.

John 13:34, 35 says, "A new commandment I give unto you, That ye love one another; as I have loved you, that ye also love one another. By this shall all men know that ye are my disciples, if ye have love one to another." God is not asking, but commanding us to love one another with His agapé love

rather than human selfish love. When we love, or agapé, others, we allow God, who is love, to flow through us to others. God invades humanity when His love is flowing through us. The only way that God can really impact this world is when we allow Him to flow through our lives and into the life of someone who is suffering pain and destruction. He can then prove His love and power to mankind.

God's divine love can and always will meet every need. When we give love our attention, it will work for us every time. Find encouragement in this testimony from a believer in Michigan: "Around 1:00 a.m., I was on the way home after teaching a class. There was snow on the side of the road, but I was not aware of any ice on the road. As I was driving, my car hit a patch of ice. I slid into a snow bank that reached up to the floor of the car and up to my knees when I got out. I started walking up the road, declaring, 'I call forth divine love to perform any miracle needed in this situation now!' Not minutes, but moments later a man arrived with everything that I needed to get out

of the situation—a CB radio, a four-wheel drive vehicle, a chain and the “know-how” to get my car out of the snow bank. Within fifteen minutes, I was on my way home. The only damage to my car was a dented left door. When I called forth divine love to work a miracle for me in the dark and early in the morning hours, He [love] answered! This was a magnificent experience for me in the wonder-working power of love.” As you can see from this testimony, God’s agapé love never fails.

I pray that the love of God meets all of your needs according to His riches in glory. As you sow your seed

this month, expect a manifestation of God’s agapé love. Taffi and I love you and pray daily that God’s richest and best become yours as you continue to seek Him first. Remember, Jesus is Lord and “...in all thy getting, get understanding.”

Love,

Creflo Dollar
