

HEALING IS *HIS WILL*

FEBRUARY 2023

Dear Partner,

The world we live in is far from perfect. There are plenty of viruses, sicknesses, and diseases all around us; however, there's no reason for the believer to struggle with them. Our words carry immense power, and we have the authority to confess our healing and good health. The faith of God is voice-activated, and our confessions unleash that power.

We can be "Psalm 91-equipped" when we open our mouths and speak words of healing over whatever diagnosis the doctor has pronounced. We don't have to accept it; we can instead choose to receive what God has pronounced over us concerning our healing. Verses three and six of Psalm 91 say that God will deliver us from the pestilence and that we don't have to be afraid of it. Pestilence is defined as a contagious or infectious epidemic disease that's virulent and devastating; we're safe from this when we trust in God.

Believing that Jesus died on the cross so that we could be healed is one way we respond to His finished works. It's already done; we therefore don't have to panic and beg Him to heal us when we get bad news. We can accept our healing because we know that God loves us and wants us healthy and whole. We may feel gut-punched temporarily, but we can rejoice because

we know how the story ends. *"...Weeping may endure for a night, but joy cometh in the morning"* (Psalm 30:5).

No matter what the doctor says, God's Word is the final authority. It's His will that we're healed. However, His will doesn't automatically come to pass; we have to decide if we're going to receive that healing for ourselves. When the leper came to Jesus for healing and expressed some doubt as to whether that was His will, Jesus reassured the man that it was. *"And it happened when He was in a certain city, that behold, a man who was full of leprosy saw Jesus; and he fell on his face and implored Him, saying, 'Lord, if You are willing, You can make me clean.' Then He put out His hand and touched him, saying, 'I am willing; be cleansed.' Immediately the leprosy left him"* (Luke 5:12, 13, NKJV).

This is still true today. Some of us block our own healing with doubt and questioning. God has made us free moral agents; it's up to us to make the decision as to whether to accept the good health available to us, or stay sick. It seems simple, but we see lots of people around us who are ignorant of God's Word and have made the wrong choice, and are suffering for it.

To receive our healing, we need to move away from the prevailing mindset around us that says we have to do something to get healed. The truth

CONFIDENCE IN HIS HEALING

is that we don't have to "get" healing, because we already have it. God tells us in Isaiah 53:5 and First Peter 2:24 that by His stripes we are healed. It's already there for us to receive by faith if we want it, but God's not going to force it on us if we choose not to believe this.

We can say we believe, but the acid test of genuine faith is whether we're at rest in the midst of the situation. That means no worry, no anxiety, and no nagging fears that it may be God's will to heal others but not us. Lots of us may have done this to ourselves and sabotaged our healing; this comes from a religious mindset that does us no good. Confidence in God's Word in this area saves us from wrong- thinking.

The kind of rest we need takes real labor to maintain when we feel the enemy trying to push us into stress over our health. We must remember that we're not laboring to get healed, but to maintain our position of rest because we're *already* healed. A practical strategy for this is daily study and

meditation on healing Scriptures followed by regular praise and worship for our good health. Doing this keeps us grounded and prevents our emotions from sweeping us away.

Taffi and I love you and pray for you every day. May the blessing of God be on you and your family. Remember, Jesus is Lord, and "...in all of your getting, get understanding."

In Expectation,

Creflo Dollar

HEALING CONFESSIONS

PARTNER HEALING TESTIMONY

Greetings in the powerful name of Jesus.

I want to thank **Creflo Dollar Ministries** for their continual support. Their office called me for prayer, and I requested them to pray for my husband who was diagnosed with cancer. He has undergone four operations, which were a success, and I am glad to announce that my husband is cancer free. Praise God.

Your partner in Christ from Johannesburg

I want to thank **CDM South Africa** and our Lord Jesus for the office that stood with me for many years.

My family and I are grateful for the office to hold our hands in prayer. The Doctor told us years ago that my grandson will live for three months due to an illness. I then called your office in Johannesburg. **CDM South Africa** prayed for me and declared that my grandson shall live and not die. Today I just want to share with you that my grandson turned 7 years old on the 31st of August, 2022. Praise God! Thank you, Lord Jesus for Dr Dollar and his family I honour, you Dr Dollar. All glory belongs to our Lord Jesus Amen!

A LOVE LIKE NO OTHER

God programmed each of us to need love and acceptance. We live in a world that knows nothing about His love, and we run into problems when we look for something we don't even know how to define. The search can lead us down blind alleys, and result in loneliness and pain, if we accept the secular definition of this world. But God offers us a love like no other.

God knows all about us, but He accepts us just the way we are. Unlike humans, His love is unconditional, and His feelings for us never end. *"The Lord has appeared of old to me, saying: 'Yes, I have loved you with an everlasting love; therefore, with lovingkindness I have drawn you'"* (Jeremiah 31:3, NKJV). It's refreshing to know that we can let our guard down with God and be ourselves. He won't reject us.

Creflo Dollar Ministries has been in partnership with the Botlokwa primary school for 12 years. We erected a school fence to ensure safety and security at the school, built rest rooms, supplied basic food necessities, renovated the school kitchen, supplied school bags, supplied winter uniforms, bought white boards, and supplied school tablets which are impacting the disadvantaged learners of the Botlokwa village to develop technological skills, e-learning, and access to digital literacy.

Creflo Dollar Ministries South Africa invites you to support this mission by donating R350.00 towards buying school bags, soccer, and netball kits for disadvantaged learners of primary school situated in the Limpopo province. Sports help children to develop physical skills, exercise, learn about teamwork and improve self-esteem.

Thank you to our partners and donors for your continual support in helping us spread the message of grace and love and putting a smile on the children's faces.
