Summary:

*We're in a spiritual battle with Satan; in this fight, our enemy always concentrates his attacks on our thoughts. Whatever happens in our minds translates into our lives; therefore, how we think determines whether we win or lose in life. Molding our thoughts to God's thoughts gives us triumph.*

Notes:

1. We fight the battle in the spiritual realm against unseen forces. Our minds are at stake. The armor of God is the Word of God; we must clothe our minds with His Word.
2. The devil controls the thoughts and ideas that are popular and accepted in the world.
3. Disciplining our thinking and fellowshiping with the Holy Spirit changes our thinking. If we can't keep our minds on God, it's because we're relying more on something or someone else than on Him.
4. Learning to think like God destroys any worldly philosophies the enemy suggests to us. God's Word will attack and pull down any thoughts that lead to ungodly behavior.
