Summary:

*Many people wonder, "Why am I here on earth? What am I supposed to do?" We learn the answers when we discover the destiny that God has already planned and created for us.*

Notes:

1. We must give serious consideration to what we're passionately interested in, and determine what stirs our passion, our drive, and our zeal. This passion will be different for each one of us, but it will consume us.
2. We must pay attention to what we're good at, and get input from godly people. This involves knowing what gifts and talents flow naturally through us and seeking counsel from mature Christian friends and leaders.
3. The Holy Ghost gives us direction and discernment on what God has planned for us. We must listen to the witness of the Holy Spirit in *our* spirit.
4. We must use peace as our guide. This involves letting peace become our umpire and call the shots; if peace isn't there, then neither should *we* be there.
