Scriptures:

- Galatians 3:26-29
- Proverbs 14:12

Summary:

*The devil is attacking us with an all-out onslaught to disrupt our lives and divide and conquer us. Racism, fueled by the spirit of division and magnified by hate, is his plan. Division is caused by amplifying a difference; however, differences should not be something to fear, but something to embrace. The answer to this issue is found in Jesus Christ, who went to the cross to erase all divisions between people at all levels. We're better together; a new mindset reflecting this attitude is therefore in order. In Christ, our differences can strengthen us. Jesus is love in human form; accepting His love allows us to reconcile with others.*

Notes:

1. Jesus is the answer to the spirit of division. He went to the cross to unite us all in love.
2. Jesus erases the differences that separate people. He makes us all one. What matters is that we're all members of the *human* race. Love is always greater and stronger than hate.
3. We must be part of the solution, not part of the problem. Jesus must be at the center of our conversations concerning this. We are not to forget that this nation was formed when Christians came here because they wanted the freedom to worship God.
4. Although times have changed, the Bible still applies.
