Summary:

*On a spiritual level, allowing God to position us where He wants us to be opens us up to receive His favor in our lives. Tuning in to Him enables us to rise above worldly limitations and experience the impossible, as only He can cause it to happen. In the Old Testament, people like Caleb, Ruth, and Esther responded in faith to the guidance of the Holy Spirit; **we** must respond the same way for God to be able to bless us.*

Notes:

1. God wants to get involved in our lives; He can do so when we let Him guide our steps. Trusting in God allows Him to speak into our lives and order our steps; we must make a decision to yield to Him and follow His plan.
2. When we're in the right place at the right time, we will receive direction from the Holy Spirit, who is the Comforter that Jesus promised.
3. Being in the right place at the right time for God to use us requires trust and obedience. When we hear from God and feel the Holy Spirit's prompting, we must immediately respond in faith, without letting fear get in the way.
